The committee will review each application to determine whether the applicant has complied with the eligibility requirements outlined in section II and the applicant's "well-roundedness" as outlined in the Section III Application Guidelines. Based on this criterion, the committee will verify whether the applicant qualifies for the current year scholarship scoring system. Applicants that qualify will be scored by each committee member based on a selected criteria established by the Committee and approved by the Board. The scoring will be based on the applicants GPA, extra curricular activities, community service, work experience and overall application presentation. The Committee Chairperson will then tally the votes and the top 6 applicants will be awarded the six scholarships with the most qualified/stand-out candidate being awarded the Jerry Dean Memorial Scholarship.
